

Super Reverse Transcriptase MuLV^{Easy} Kit**Cat# BB-E0045 (50 reactions)**

Description: Murine Leukemia Virus Reverse Transcriptase (MuLV RT) is an RNA-dependent DNA polymerase used for cDNA synthesis.

Reagents supplied:

- Super RT^{Easy} Enzyme mix: 100 µl
- 2x Reaction Mix (contains dNTPs, Oligo dT and Random Hexamer): 500 µl
- Nuclease free water: 500 µl

This Super RT^{Easy} enzyme is preblended with RNase Inhibitor.

Storage: -20°C
